Exploration Geophysicists

WA STUDENT AWARD & TRAVEL GRANT for AEGC2023

Invitations are extended to all Undergraduate* (second year or higher) and Post-Graduate Geophysics students for submission for the 2022 student awards. To be considered for an Award, please submit a completed Application Form with requested supporting documentation via email to:

wasecretary@aseg.org.au

Applications Close 11 November 2022

All applicants will be notified of the outcome of the Awards. Successful applicants will then receive their awards at an ASEG WA event in 2022-2023. Honours and post-graduate level award recipients may be requested to give a public presentation on their research at a technical or student night held by the Society.

**Includes geophysics related disciplines, which includes, but is not limited to, mathematics, physics, geology, environmental science, and engineering.*
