

RECORD OF TEACHING OF EXPLORATION GEOPHYSICS AT RMIT UNIVERSITY

Preliminary Table to be Updated Department of (INSERT NAME) opened in 19XX. Geophysics teaching began in 19XX.

From	To	Name	Position	Teaching	Research
1990	2014	Paulino Piotto	Lecturer, Civil, Environmental & Chemical Eng	Geophysics for geologists (mainly engineering applications)	????????
19XX	2003	Graham Granger	?? Lecturer	Geophysics for geologists (mainly engineering applications)	????????
2004	2004	Bob Musgrave	Contract lecturer	Geophysics for geologists: replaced Graham Granger in final year of presentation of undergraduate course.	Position was contract teaching only
2001	date	James Macnae	Professor, Applied Sciences	Electromagnetics (mostly to physicists).	Airborne electr tomagnetics: hardware and software. Low noise electric and magnetic EM sensors
